RENTAL MODEL

Generate recurring revenue by renting them repeatedly for events, promotions, and temporary signage. Flexible configurations expand opportunities while portability streamlines deployments.

RETAIL PROMOTIONS

Capture attention, engage shoppers and drive action with vibrant dynamic content that bring products, offers and brand messaging to life. Easily update content for new campaigns or seasonal offers.

EVENT ADVERTISING

Promote events on demand wherever messaging is needed. Easily update schedules, announcements or other content in real time without the limitations of traditional printed signage.

CONVENTION WAYFINDING

Transform meeting room entrances with dynamic signage that elevates traditional pop-up banners. Instantly display meeting names and directions while adapting throughout the day..

VALIDATE CAP EX ROI

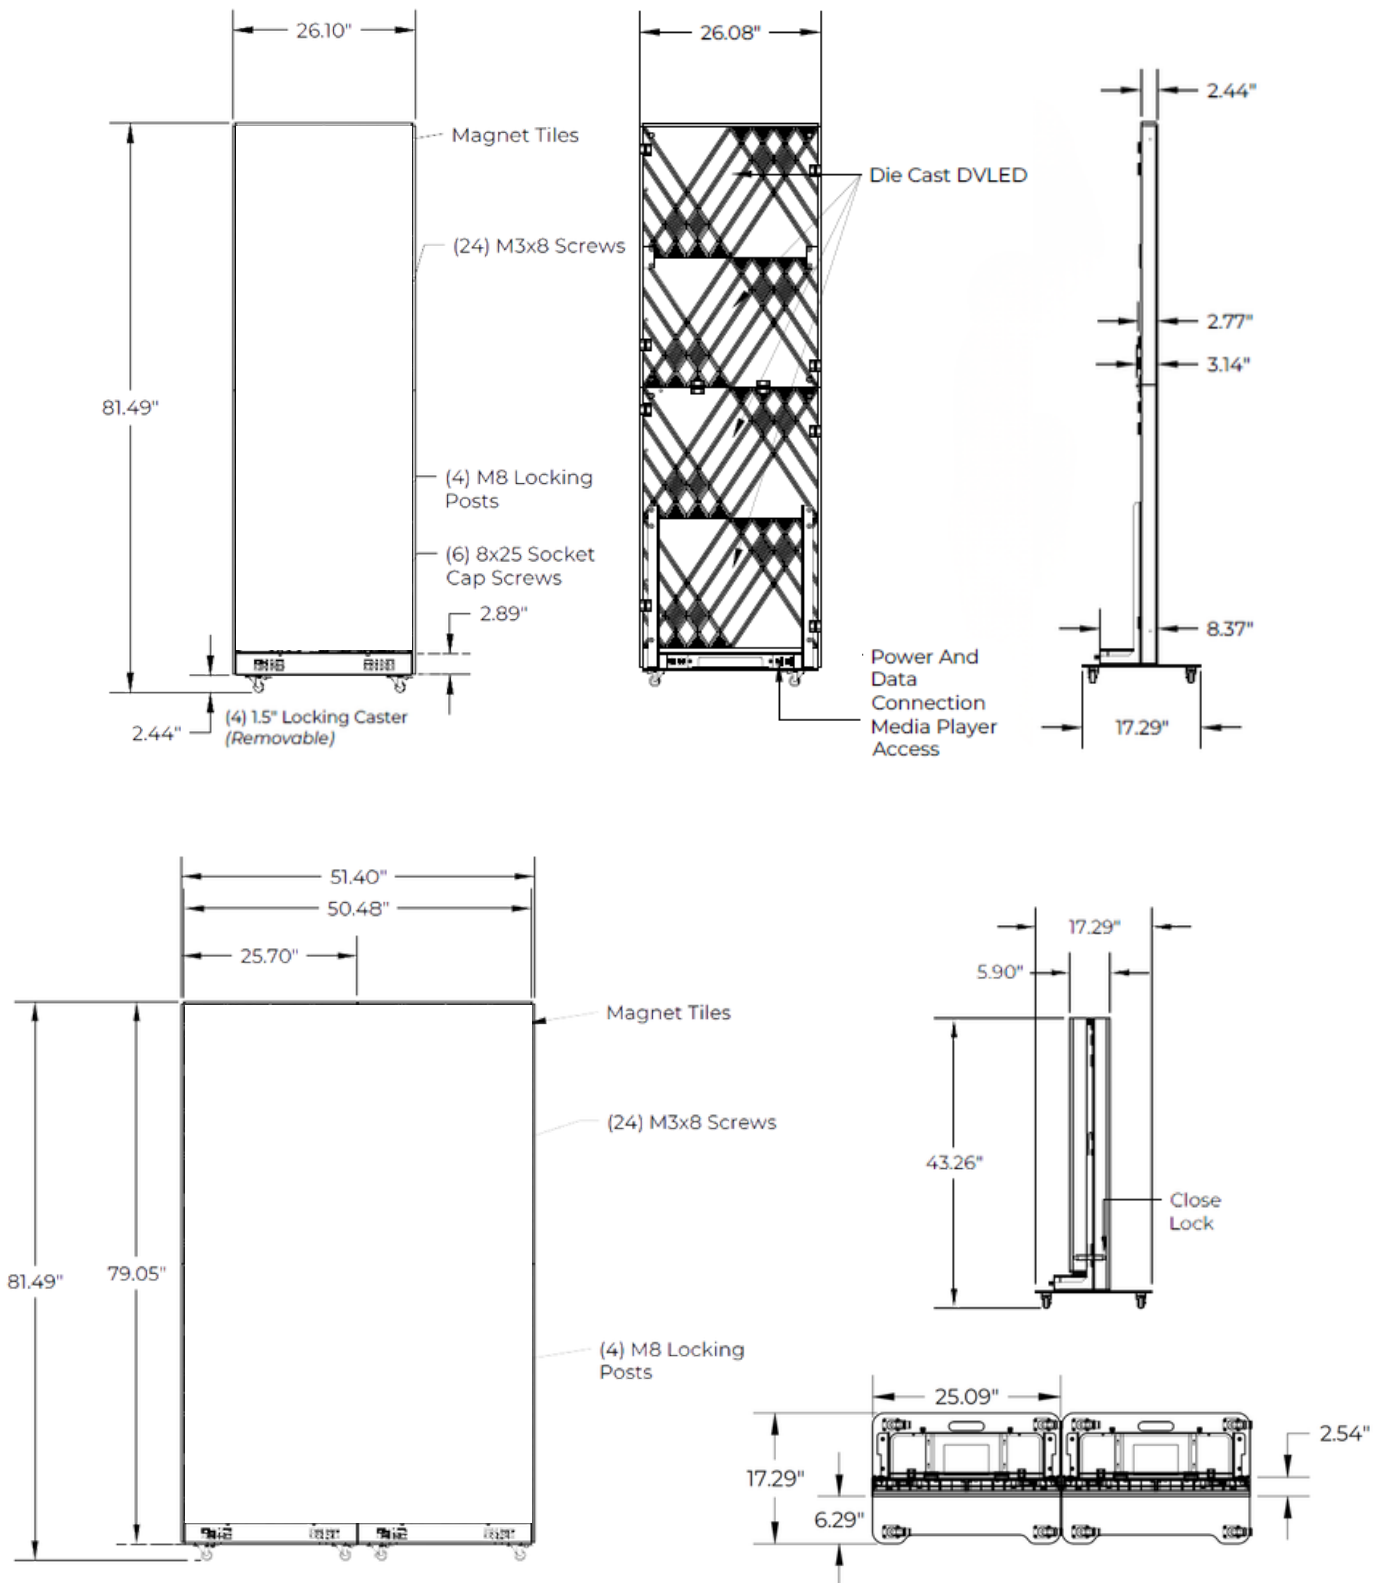

Deploying portable digital posters provides a lower-cost way to validate demand, refine operational workflows, measure engagement, and demonstrate ROI - building the business case for a future investment in permanent digital canvases.
